Begin his Career some Forty-three years ago with CITI Group in Piraeus, Greece, the Heart and Center of Shipping activities, trade and Financing in the World then five years later he was transferred to the CITI Group's office in London, U.K. where also five years later was transferred to CITI Group's office in Toronto, Canada and then once again, five years later was transferred to the CITI Group's office in Washington, DC, U.S.A. where he remained for the next ten years when he resigned from CITI Group's Global Blue Water Ship Financing Desk and started Commercial Capital BanCorp.

All of the other CCB Associates as listed in the CCB directory, one by one are the elite of the industry. Best Bankers/Financiers, all with an average of Fifteen Years experience in the International Banking arena prior to joining CCB and each one has a Specialty background trained at a specific sphere of activity of the Commercial Lending.

Commercial Capital BanCorp:

In 1992, Mr. Dorizas founded Commercial Capital BanCorp, a private Financial Institution with its own Network of Private and Wall Street Institutional Investors and a Circle of Associate Financial Institutions and Lenders Network. Most of the loans are funded direct by the CCB's private and Wall Street Institutional Investor and some due to the amount and/or the complexities of cross border financing, CCB may refer or syndicate with one or more of the Lender's in our preferred Network of Associate Financial Institutions.

During the past Seventeen Years, CCB has developed and enjoys strong, Everlasting relationships with some of the best known, large and not so well known and Smaller Shipping Families from around the World.
